Charlton NAPP

Nutritional Assistance Program for Pets

HELPING CHARLTON FAMILIES IN NEED

PROGRAM RATIONALE

Charlton NAPP is being offered by Friends of Charlton Animal Shelter (F.O.C.A.S.) in order to help Charlton families maintain ownership of their pets during times of financial need.

SNAP benefits (food stamps) cannot be used to purchase pet food. Many families that are struggling to make ends meet either use their own food to feed their pets causing their own nutritional needs to remain unmet or decide to rehome beloved family pets.

This program helps provide low income families with pet food allowing them to keep their pets and better meeting the dietary needs of their furry family members.

Food will be distributed as funds are made available.

WHO SHOULD APPLY?

If you are having difficulty finding the funds to feed your pet and are a permanent resident of Charlton, MA you should apply.
